

ALLERGAN EYECUE® PROVIDES SUPPORT FOR YOUR DURYSTA™ REIMBURSEMENT NEEDS

Benefit verifications

Confirms patients' DURYSTA™ coverage and estimated out-of-pocket responsibility

Prior authorization support

If needed, can provide payer-specific prior authorization forms and requirements

Billing and coding

Can provide detailed information about specific billing and coding requirements

DURYSTA™ Savings Program support

Facilitates enrollment and claim submission in the DURYSTA™ Savings Program for commercially eligible patients

Claims assistance

Provides assistance with troubleshooting claims issues for DURYSTA™

Appeals support

Offers appeals support to practices in the event of denied DURYSTA™ claims

Specialty pharmacy coordination

Identifies appropriate specialty pharmacy, if determined it is required by payer, and coordinates enrollment

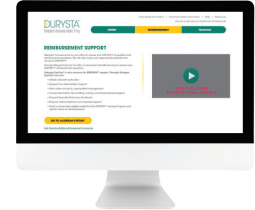

Financial assistance

When financial assistance is needed, provides referrals to alternative coverage and patient assistance programs

ENROLLING IN ALLERGAN EYECUE® IS EASY

Begin by going to DurystaHCP.com and navigating to the Reimbursement Section. Click on "Go to Allergan EyeCue®"

Follow these 4 steps:

1

Enter your email address

2

Create a password

3

Enter your practice details (practice name, facilities, NPI)

4

Complete Certification and Attestation to use Allergan EyeCue®

Enrollment considerations

- Ensure you add all facilities, users, and providers in your Allergan EyeCue® account before submitting a request
- The practice staff member who sets up the initial account is the site administrator and can make administrative changes and delegate access
